

Sac Valley BMW CCA Event July 31, 2010 Reservations Required

Bavarian Hills Café & Bake Shop "A little bit of Germany in Apple Hill"

Close your eyes and enjoy the sounds of German Music, the sweet scent of pine and the aroma of German food. You'll be transported to the hills of Bavaria. But open your eyes! You are in a special place in Camino California's Apple Hill district, The Bavarian Hills Apple Orchard.

Bavarian Hills owner Inge brings the best of Germany to Apple Hill. She prepares traditional home-cooked German food, fresh sausages, German potato salad, sauerkraut, and schnitzel (boneless and skinless chicken breast) along with other German specialties. For deserts Inge serves Apple Strudel, and Apple Pies, "all homemade and baked fresh in her ovens."

On this event we will be taking a fun drive to Camino and having a wonderful, authentic German lunch. Afterwards we will continue on a short drive to explore more of this beautiful area.

Because the food is made fresh, reservations and payment are required in advance. Send me an email if you would like to register for this event. Reservations & payment needs to be made by July 14, 2010

For lunch make a choice of one of the following items. If we get enough participants, Inge will provide a buffet of these items so we will get to try them all!

Cost: \$14.00

BOCKWURST (veal) or BRATWURST (beef)

German Sausages with herbs and spices

CHICKEN SCHNITZEL

A skinless, boneless chicken breast dipped in eggwash and rolled in Italian bread crumbs.

Lunch includes German Potato Salad and Apple Strudel for dessert and choice of coffee or ice tea.
